

# Canvas Parent Account Creation

To sign into Canvas, you will need to create your parent account.

## Step 1

1. Go to [ars.instructure.com](https://ars.instructure.com)
2. Click on the button that says Parent of a Student
3. On the log-in screen, click on “Parent of a Canvas User?” at the top right of the red box.

## Step 2

1. Complete the information to Start Participating as an Observer. (Your name, email, and a password).
2. You will need a Pairing Code to connect as an observer to your student.
3. Your student must provide you with this Student Pairing Code. Read this [Guide](#) to show you how to get the Student Pairing Code. If you have multiple students to pair with, read this [Guide](#).

## Step 3

1. Log-in to <https://ars.instructure.com>
2. Choose Parent of a Student
3. Enter email address and password created in Step 2.

## Step 4

1. Your student’s course(s) will appear in your Dashboard if the course has been Published by the teacher. You can begin navigating the course once it appears in your Dashboard.
